

It is unfair that we are unable to see this broadcast.  
In order to preserve free speech and honor the  
constitutional right to it, all national networks should  
air this program.

Please take action and provide a fair and balanced  
national broadcast in the United States.

This is the way to support, regardless of opinion, our  
constitutional right to free speech.

Censorship is unconstitutional.

Frustrated in northern Arizona.
